Part time Jobs: Foil Assistant Coach

Job description: We are seeking an experienced foil coach to accommodate our growing membership in the Columbus area. This is a position for a driven, energetic, youth-oriented individual who is eager to help grow our fencing programs.

Application Instructions: Please send application to profencing.org@gmail.com with cover letter and letters of recommendations. Please send us a letter with your contact information, picture, your reasons for wanting to join our fencing programs, and how do you think you can contribute positively to our programs' goals and objectives.

Qualifications:

- College degree or equivalent.
- Prevoist (Level 4) or Master Certification as a foil coach from any accredited institution: FIE, USFCA, Italian fencing Federation, French or any other recognized national fencing entity.
- Understand principals of sport pedagogy and training for high performance athletes.
- Proficient in English.
- Eligible to work in the United States.
- Able to teach beginning to elite group classes to athletes of all ages.
- Be a team player and able to help build a long-term program.
- Have proven experience as a foil coach and competitive experience at the national and international level.
- Pass USA Fencing Background Check and comply with SafeSport requirements from the USFA.
- Be an active coach member from the United States Fencing Association.
- Ability to communicate with participants, guide and assist them during group instruction and fencing time.
- Candidate must be enthusiastic, self-motivated, reliable, and communicate kindly with children.
- At least two letters of recommendations of good moral behavior and sportsmanship among peers, coaches, or mentors.
- Knowledge of all Safe Sport rules in the USA related to the proper handling of children, for the mental and physical safety of all participants

Responsibilities:

- Responsibilities: Teach beginning, intermediate to elite foil group classes to children and adults.
- Design, and implement a yearly training plan, following athletic periodization cycles with objectives and goals for Elite fencers.
- Create and implement individual and group lessons to be implemented in the club.
- Create and run new fencing programs in the community and at different school districts in Central Ohio .
- Help set the direction of the Foil competitive program according to Profencing's vision.
- Coach at summer and winter camps as needed.
- Travel and coach at regional or national competitions as required, according to the USFA schedule.
- Help in the maintenance of equipment and of the building, ensuring the club is always clean, safe, and ready for practice.
- Assist with warm up games and activities related to fencing footwork, drills, and fencing games.
- Ensure participants follow all fencing and safety rules.
- During fencing drills and exercises help participants to adapt correct fencing form and ensure they are following and understanding the coaches' instructions.
- Supervise participants during playtime and breaks in the playground.
- Communicate with head coach or instructors about any observations or matters related to behavioral issues that requires immediately attention.
- Promote a healthy and friendly environment of respect among members, parents, and coaches.
